When setting policy for how these instances will be handled the Board should be involved in all decisions. Any complaints from competitors can be directed to Board to handle. This revision was requested by our Insurance Underwriter to maintain our Liability Insurance.

All entry pricing, discounts and entry packages should have prior Board approval before submitting premium to sanctioning organization. If the Trial Chair has any additional policy or budget questions they should be addressed with the Board prior to implementation. At the time of this revision per run entry fees should be \$10.50 or greater including package discounts.

All Day Workers:

To aid in the smooth running of a trial, the Trial Chair, with the assistance of the Chief Ring Steward, may enlist the help of All Day Workers. By definition All Day Workers are not entered in the trial nor running a dog for another person and have volunteered to work, as needed, in any capacity or all positions including ring crew, for the entire day. As an example, an All Day Worker cannot expect to scribe or time all day.

Due to potential conflicts between rings, this position has been developed to help with two (or more) ring trials only. In these trials it is sometimes difficult to find volunteers among the competitors to fill all the required ring crew positions. All Day Workers can be used to fill these vacancies.

If any RAT member or member of the greater agility community desires to be an All Day Worker for a trial, they should contact the Trial Chair or Chief Ring Steward as early as possible as the number of voucher positions approved for any given trial is limited.

The Trial Chair and Chief Ring Steward will determine where help is needed and where best to use All Day Workers. It is the responsibility of the Trial Chair and Chief Ring Stewards to ensure that All Day Workers have been trained (or are being trained) for the positions in which they will be working.

The duties of an All Day Worker will include but not be limited to:

1. Arrive early on the day of the trial, preferably ½ hour prior to trial start.
2. Be prepared to stay until the end of the day.
3. Assist in any capacity needed for the smooth running of the trial.
4. Inform the Trial Chair or Chief Ring Steward if any training is needed for a specific position assigned.

RAT Policy for Judge's Expenses:

This information is to be sent to judges when they are hired.

Rainier Agility Team will cover economy airfare, shuttle to the airport, airport parking, course copies, and meals on the day(s) of travel. RAT will pay the lesser cost of a flight with one-stop or a direct flight. The Trial Chair should ensure that flight reservations are made far enough in advance to help keep costs down. We will require receipts for all expenses and will provide you with a reimbursement form or you may download it from our website: www.ratagility.com. For airfare, you can present us with a bill at the trial or, if you prefer, we can reimburse you ahead of time; just email us a copy of your receipt. We pay \$1.00 per run and take care of food and your lodging. A rental car may be provided if the trial site is over 50 miles from SeaTac Airport. This is at the Trial Chair's discretion and must be an economy vehicle used by both judges. RAT does not pay for kenneling fees. **NOTE: Additional costs for travel and lodging**

for judges because of their distance from an airport should be discussed with the Board. We currently do not approve additional lodging days because the judge does not want to travel/fly on early or late flights.

New Events:

For a new trial or event to be added to RAT's schedule or for a new site to be considered as a site for RAT League, a written proposal shall be presented to the Board, endorsed by at least four (4) current RAT members (at least one of whom shall be a Member in Good Standing (MIGS) with voting rights) who shall each commit to participate in the planning for such trial or event or to enroll in League at that site. The proposal shall contain a description of the trial, event, or facility (location, amenities, equipment needs, etc.), the names of the current RAT members who are committed to participate in the planning of such trial or event or to enroll at such site, and an estimate of costs to rent the facility for such trial, event, or site. The proposal shall be presented to the Board at least (a) four (4) months before the date of such proposed trial or event; or (b) two (2) months before the date that sign-ups for League are scheduled to begin at the proposed new site.

To add a demo to the RAT schedule a written proposal shall be presented to the Board as quickly as possible before the event. A two (2) month lead time would be preferred.

Special Note to New Rat Members:

Volunteering to work at an agility trial is one of the best ways to learn about the sport of dog agility and to prepare for trialing. RAT encourages new members to volunteer because working in the ring is a great way to get an "up-close" view of the dogs and handlers in action. Trial committee members and general RAT members are encouraged to help train new members who are not experienced in any position.

RAT encourages new members who wish to work at a trial to directly contact the Trial Chair or Chief Ring Steward as early as possible and no later than one (1) week prior to the trial date. The Trial Chair and Chief Ring Steward will be identified on the trial premium. When contacting either person please let them know your experience level for the various positions.

All RAT members who receive inquires about volunteering at a trial are encouraged to aid these volunteers by (a) letting them know about the RAT website, (b) helping them to contact the Trial Chair or Chief Ring Steward, and (c) giving them general information about RAT agility trials.
