CONTAINERIZED TRAIL

Food or a small noiseless toy may be carried into the ring in your pocket provided it is contained in a ziplock bag or small container such as a pill bottle. The container cannot be visible in the ring nor within 10 feet of the ring. You cannot indicate to your dog that you have this item on you, i.e. patting your pocket. You are not allowed to remove the container until you are at least 10 feet outside the ring. **All** food and toys must be containerized at the trial and **none** can be left lying about loose. This policy has been implemented to reduce the possibility of dogs fighting over loose food or toys, to diminish dogs dragging their handlers back to their crates (or wherever they left their food), and to lessen the amount of insects that are around loose food.
